The month of June is a special one as we celebrate two significant milestones in the history of the Uniting Church in Australia.

This **Sunday, 15 June**, marks 40 years since we declared ourselves a **multicultural church**. To commemorate this occasion, **UCA President Rev Charissa Suli** and **President-elect Rev Dr Paul Goh** have recorded a video message.

Both Rev Suli and Rev Dr Goh embody the beauty of diversity within our church, having come from different cultural backgrounds and finding a welcoming home in the family of Christ.

On **Sunday, 22 June**, we celebrate the **48th anniversary of our formation** as the Uniting Church in Australia. President Rev Suli has recorded a special message outside Sydney's Town Hall, the historic site of our inaugural ceremony.

In her message, Rev Suli calls on us to renew our commitment to living out the gospel – not just in words but through our actions. She encourages us to nurture and raise disciples, strengthen our congregations and support our leaders, ensuring that everyone feels welcome and experiences a true sense of belonging in Jesus Christ.

Let us come together in gratitude and reflection as we honour these milestones and continue to walk boldly in faith!

Join us in Prayer...

- A prayer of thanks for the encouraging congregational AGM last week, and for us as the Roseville Uniting Church community that we will continue to share the love and welcome of Jesus Christ in all the things that we do.
- For our PYES (Post Youth Era Spark) group, that those who attend may continue to grow in their faith.
- For all the wider community groups that use our church building, that their activities might be fruitful and safe, and that we might continue to build relationships with those who come.
- For those in our community who are school students and teachers as we approach the end of term, that they would have energy to finish the term well and good rest over the school holidays.
- For all in Australia and overseas who are affected by war, natural disaster, or illness, that you would provide them with safety and place people and resources around them that are helpful.
